You must fix the Budget Narrative and Budget.

This one shows 458 miles x .535 = 245.03 if you have 2 vehicles that would be \$490.06. Again, why is the row for using personal vehicle for personal reasons being used? If there are 2 additional vehicles that are being used and they have access to agency vehicles, is the maximum rate for the county .17? Even if it is, 458 miles x .17 = \$77.86 and if two vehicles would be double that. Let's talk about this before 11:30am today.

Please answer the questions in the Budget Narrative box.

Thanks,  
Steph

Hi Stephanie, here is the one for the ammonia class I'm not sure if I figured the mileage amounts right but I think the rest is ok. Hope this will get easier.

Upon acceptance of funding from the State of Nevada Emergency Response Commission (SERC), the applicant and the lead governmental unit hereby agree to the following Certified Assurances governing the awarding of funds:

- A) The applicant assures compliance with the Nevada Administrative Code (NAC) 459.9912 et seq. and SERC policies found at <http://serc.nv.gov>.

No expenditures or obligations will be eligible for reimbursement if occurring prior to or after the award period. All funds need to be obligated by the end of the grant period and expended by the final report date as stated in the grant award cover letter. Failure to submit proper reports pursuant to current policies may jeopardize future funding from the SERC and could result in a denial of reimbursement of funds expended. Failure to comply with this requirement can result in the delay or denial of future reimbursements.

- 1) **Request for advance:** May be requested only if expenses total over \$2,000.00 and is accompanied by a dated purchase order or quote. Complete and submit a financial report form with the appropriate “request for advance” box checked.
- 2) **Report on expenditure of advance:** Show the actual expenditure of the advanced funds. Complete and submit a financial report form with the appropriate “report on expenditure of advance” box checked. This report is due **within 30 days** of the date of the advanced check and must include copies of dated invoices and proof of payment. If the amount advanced is more than the amount spent or the advanced amount is not spent within the 30 days, the unexpended funds are to be returned to the SERC within 45 days of the date of the check.

Include a summary breakdown of expenses, copies of dated invoices, proof of payment and any other documents required by SERC policies. Any other form of documentation for expenditures must be approved by the SERC staff. If additional non-federal funds or resources are used toward the project, report those expenditures as a **match** in the appropriate line on the report form.
- 4) **Quarterly report required:** If there are no expenditures within the quarter, a report with an explanation of why and the plan for future expenditures is due by the end of the month following the end of the quarter. Due dates for quarterly reports are as follows:

**October 31** - for reporting period July 1 to September 30;  
**January 31** - for reporting period October 1 to December 31;

The applicant assures the fiscal accountability of the funds received from the State Emergency Response Commission will be managed and accounted for by the lead agency's chief comptroller. Internal control and authority to ensure compliance with SERC's documentation, record keeping, accounting, and reporting guidelines will reside with that individual.
- F) SERC will reimburse the recipient reasonable, allowable, allocable cost of performance, in accordance with current federal requirements, Nevada Revised Statute, Nevada Administrative Code, State Administrative Manual, SERC policies and any other applicable fiscal rules, not to exceed the amount specified in the total award amount.
