7. REVIEW SERC TRAVEL FUNDS FY2017 FOR STAFF MONITORING VISITS

The Funding committee reviewed the legislatively approved budget for travel funds in FY2017. The committee discussed funding for SERC staff to conduct LEPC monitoring site visits. PHMSA noted monitoring of LEPC's was missing. Ms. Parker shared there are Highway funds available in the amount of \$1,700.00 for Staff in-state travel to start out with, however it is not feasible with the current budget to comply with the existing policy for 8 visits. Staff can get back with the Committee as visits are done.

10. REVIEW REVISED SERC GRANT SCHEDULE AND FUNDING COMMITTEE MEETING SCHEDULE -

The Funding Committee discussed the need for activities for FY18 by the end of the year. Also discussed was the feedback from the LEPC surveys on what they thought would work best with grant scheduling. Ms. Parker said we can change the timeframes.

Mr. Giomi asked if Staff could manage 34 grants at a time, which would mean the committee reviewing 34 at a time and that would be difficult. Mr. Brenner said we could spread it out. Mr. Giomi said 3 month periods. Ms. Crowley said the LEPC's liked 3 grant cycles and wanted the availability for a mid-cycle. Ms. Parker asked if the suggestion was to have the SERC deadline in January with a funding committee meeting in March, then the United We Stand in March with a funding committee meeting in June and HMEP when needed for the PHMSA requirements. Ms. Crowley suggested the full SERC commission discuss this in October at the next meeting.
