Proposed Regulation of the State Emergency Response Commission (SERC)

Small Business Impact Statement

Pursuant to NRS 233B.0609 (1), the State Emergency Response Commission is required to make a determination whether its proposed regulations will: (a) impose a direct and significant economic burden upon a small business, and (b) directly restrict the formation, operation, or expansion of a small business. NRS 233B.0382 defines Small business: "Small business" means a business conducted for profit which employs fewer than 150 full-time or part-time employees.

The State Emergency Response Commission has considered the two factors in NRS 233B.0608 (1) and has determined that a Small Business Impact Statement is not required pursuant to NRS 233B.0609 based upon the following:

1. The State Emergency Response Commission is statutorily directed by:

NRS 459.738 (1) "...is hereby created for the purpose of carrying out the provisions of 42 U.S.C. 11001 et seq. and other matters relating thereto."

NRS 459.740 (1) "Adopt regulations for the purpose of enforcing its responsibilities pursuant to 42 U.S.C. 1001 et seq."

NRS 459.740 (2) "Accept gifts and grants of money and other revenues for the purpose of enforcing its responsibilities pursuant to 42 U.S.C 1001 et seq."

NRS 459.742 (1) "Enter into contracts, leases or other agreements or transactions;"

NAC 459.99135 Authority of Commission: Grants of money from Contingency Account for Hazardous Materials. (NRS 459.735, 459.740) Pursuant to NRS 459.742 and in accordance with the provisions set forth in NAC 459.99138 to 459.99146, inclusive, the Commission may:

(1), (2), (3) "...issue grants to local emergency planning committees..."

NAC 459.99161 Authority of Commission: Allocation of money from Contingency Account for Hazardous Materials. (NRS 459.735, 459.740) Pursuant to paragraph (d) of subsection 2 of NRS 459.735 and in accordance with the provisions set forth in NAC 459.99163 to 459.99167, inclusive, the Commission may:

(1), (2), (3) "...Allocate...to state agencies..."

2. Any proposed regulation amendments, will not impose a direct and significant economic burden upon a small business and will not directly restrict the formation, operation, or expansion of a small business

I certify that to the best of my knowledge or belief, the information contained in the statement was prepared properly and is accurate. NRS 233B.0609(2)

Respectfully Submitted,

Tami Beauregard (for Richard Brenner/Dennis Nolan, Co-Chairs)
SERC Administrator
