Dylan K. Tedford  
Legal Policy Analyst for Governor Lombardo  
Office of the Governor  
101 N Carson Street, Suite 1  
Carson City, NV 89701

Dear Mr. Tedford,

The State Emergency Response Commission (SERC), within the Division of the State Fire Marshal, within the Department of Public Safety, respectfully requests an exemption from Executive order 2023-003 under section 5d (regulations that affect the application of powers, functions and duties essential to the operation of the executive branch agency, department, board or commission at issue) and section 5f (regulations necessary to comply with federal law). The SERC's primary regulations are found under Nevada Administrative Code (NAC 459.9912 – 459.99189) and deal wholly with the management and oversight of all provisions of the Federal SARA Title III and the Emergency Planning and Community Right-To-Know-Act of 1986. The SERC also provides management and oversight of hazardous materials related funding pursuant to Public Law 99-499 or Title I of Public Law 93-633. In addition to the above, the SERC provides management and oversight of the United We Stand license plate related funding.

The SERC obtains, administers and provides grants to Nevada's Local Emergency Planning Committees (LEPCs)/state agencies to implement these acts and enhance public safety with regards to hazardous materials and terrorism.

Please be advised during the December 28, 2022 meeting the Legislative Commission approved requested NAC revisions. The submitted NACs do not contain these approved changes including the definition of the Legislative Committee; ["The Commission may establish a legislative committee to assist the Commission in matters concerning changes to federal and state laws and regulations which relate to the responsibilities of the Commission"](#).

Respectfully submitted,

Mike Dzyak, Nevada State Fire Marshal  
Department of Public Safety
