# STATE EMERGENCY RESPONSE COMMISSION (SERC)

## SERC UWS Allocation Application Kit

FY2025

### For State Agencies

The SERC has developed this application kit as a template for State Agencies to apply for the UWS Planning, Training, Supplies and Equipment (UWS) Allocation. Application and award of allocations are managed pursuant to SERC policy 8.2a. The source of funding is derived from fees collected from the sale and annual renewal of United We Stand specialty license plates. As these are State funds, there is no Catalog of Federal Domestic Assistance (CFDA) number associated with this allocation.

The allocation project period is expected to be July 13, 2024, to June 30, 2025. Allocation funds are distributed on a reimbursement basis; however, the State Agency may request advance funding for expenses over \$2,000, policy 8.5.

State Agencies are eligible for funding through this allocation if they are in compliance with the head of the State agency prioritizing the request and signing the allocation application, certified assurances and allocation award; identifying if the agency falls under an emergency response plan and its role in the plan; identifying its role, if any, in the State Comprehensive Emergency Management Plan; identifying any response capabilities on the Level of Response Questionnaire. Policies may be found on the SERC website, <http://serc.nv.gov>.

The application must include justifications of use of funds to support preparedness to combat terrorism - NRS 202.4415 defines acts of terrorism.

Pursuant to SERC policy 8.2a, the allocation application must address one or more of the Nevada Commission on Homeland Security priorities available at <http://serc.nv.gov>.

The format is as follows:

- I. **Goals** - Identify what the State Agency would like to accomplish with the requested allocation funds to support preparedness to combat terrorism for the period July 2024 through June 2025.
- II. **Objectives** - Identify the specific approaches to achieve the goals through preparedness to combat terrorism. Objectives need to be specific and measurable.
- III. **Homeland Security Priorities** – Justify how each requested item or category of items address at least one of the Nevada Commission on Homeland Security priorities. If the allocation application request categories of items (i.e., PPE, Communications, etc.), it is not necessary to list each item individually in this section.
- IV. **Line Item Budgets** – List each item as a line item on the budget page. **The allocation request shall be for no more than \$32,000.** Please include a prioritization of the items requested.
- V. **Budget Narrative** – Explain each item listed in the line-item budget. Remember to comply with SERC Policy 8.2a related to the required quotes or sole source for appropriate purchases. If you have questions, please contact the SERC office.

If you submit electronically and do not receive confirmation of receipt within 24 hours or two business days, please follow-up with the SERC.

Please call SERC staff at (775) 684-7511 if you need assistance.

## I. GOALS:

Tell the SERC what you want to accomplish with this Allocation. **Provide a separate discussion of each goal and justify its need to support preparedness to combat terrorism.** The goals are general statements of desired results and identify intended outcomes the program has established to achieve. Justification to support preparedness to combat terrorism must be addressed.

The Nevada State Police Training Division is responsible for the training and development of newly hired cadets and for the continuing education and growth of sworn personnel. The Division is seeking support to achieve its goal of increasing its ability and effectiveness when responding to violent events such as active assailants, attacks on our officers, and/or terrorist attacks.

Our objective is to provide the Division with appropriate force on force equipment to be used while training new cadets but then also during annual training of the several divisions within the Nevada State Police. More efficient and realistic training will increase an officer's confidence when having to respond to a potentially violent situation such as an active shooter. As the world and technology evolves around us, updated training techniques and equipment is an absolute must, as opposed to simply practicing with rubber or "finger" guns.

## II. OBJECTIVES:

How do you plan to achieve the goals listed above? Include specific uses of this allocation funding to support preparedness to combat terrorism. Objectives focus on the methods/activities to be used to achieve the goals they support.

Answer these questions in each objective:

- ✓ WHAT will be purchased with these Allocation funds?
- ✓ WHO will complete the purchases awarded?
- ✓ WHEN will the purchases be made and the activity implemented?

*Click inside gray box to begin typing*

In reference to our goal, the Training Division plans to purchase 4000 non-marking rounds of 9mm and 2700 rounds of 5.56mm, 3000 silent blanks of 9mm and 2700 of 5.56mm, and 2000 loud battlefield rounds of 9mm and 1800 of 5.56mm. Six Sig Sauer P320 blank only barrels, 16 Sig Sauer P320 non-marking round kits and eight AR15 blank kits would be purchased. The quantity requested reflects the need of our Training Division being divided into Northern and Southern Commands. Each respective command is responsible for training new cadets and the officers stationed within each region. The requested amount will be able to provide an adequate amount of equipment to be divided amongst the four groups requiring training. While the Division adamantly strives to conserve and prolong equipment's use, the requested amount will provide the opportunity of not needing to cut trainings short or limit repetitions due to a lack of supply.

### III. **UNITED WE STAND PRIORITIES, (to combat Terrorism):**

*Identify how each item (or category of items) requested addresses at least one of the United We Stand, to combat Terrorism priorities.*

#### **Operational Coordination.**

The Nevada State Police constantly strives for a safer Nevada. The Training Division is the foundation for creating competent officers that are capable of keeping Nevada communities and citizens as safe as possible. Unfortunately, active assailants and terroristic attacks, whether domestic or foreign in origin, are very possible realities we face. There are numerous events that support this fact such as the Covenant School Shooting in Nashville, TN, on 3/27/2023, the shooting at an outlet mall in Allen, TX, on 5/6/2023, and the mass shooting in Lewiston, ME on 10/25/2023. The State of Nevada experienced a mass shooting on 12/6/2023 when a gunman open fired and killed three people and injured three others on the University of Las Vegas campus. The worst example of this would be largest mass shooting in the United States happening on 10/1/2017 in Las Vegas at the Route 91 music festival.

With the aforementioned equipment, the Training Division can ensure reliable and realistic training for cadets in our basic law enforcement academy, as well as annual training for sworn personnel across the State. Being able to train with equipment that is much more comparable to the equipment used in the field will greatly increase effectiveness when our officers respond to a violent situation. A large portion of that effectiveness is being operationally sound. The fast pace of needed operational coordination can only be improved upon with repetitive realistic training whilst using practical equipment breeding familiarization. This means the requested equipment vastly increases the ability for the Nevada State Police to improve our operational coordination. Having received, our officers will be able to ensure a safer Nevada.

#### **IV. BUDGETS:**

*Please prioritize your request as awards may need to be reduced based on available funding. Do not round the unit prices or the line-item totals. Round up the grand total of each category to the nearest dollar.*

#### **Training:**

*All training requests must first be made through the Department of Emergency Management (DEM). If the DEM declines the training, the request may be included in the allocation application along with the letter of declination.*

*Requests to contract to provide training must be accompanied by at least two competitive bids. The bids must include an itemized quote and detailed scope of work from the consultant.*

*State per diem rates (which generally follow the federal GSA rates; (<http://www.gsa.gov>) will prevail unless local rates are less. Travel eligibility requirements and rates are further defined in SERC policy 8.5. The rates listed below are for the calendar year 2024 only and are subject to change.*

If an agency vehicle is used, reimbursement may be made for fuel charges based on receipt or agency fuel logs. Airport parking (**most economical lot only**) and ground transportation expenses are reimbursable upon presentation of receipts. Rental cars must be pre-approved by the SERC.*

**The current inventory of the Nevada State Police makes it difficult to consistently maintain a high level of training for active shooter events due to concurrent academy classes, in-service training, and being spread across the various regions of the state. With a more in-depth inventory the Nevada State Police will be able to consistently maintain high level training. With our shortages we are often reduced to utilizing blue guns which is de-sensitizing for our officers and removes the ability to make the conscious decision to pull the trigger. To accomplish its goal of a safer Nevada, the requested equipment is imperative for the Nevada State Police. In the event of an active shooter or terrorist attack, it is the responsibility of the Nevada State Police to do everything within our power to protect our citizens by responding swiftly and effectively to such threats.**

**The listed equipment is crucial in allowing us to make training scenarios as real as possible, without making it an actual violent situation using live ammunition and firearms. Being able to make scenarios realistic without having to sacrifice safety will result in proficient officers, capable of handling such dangerous, volatile and dynamic situations.**
