

NRT-1A Checklist
State Emergency Response Commission
Planning and Training Sub-Committee

County: **Eureka County**

Date: **1/6/2026**

1. Identify facilities subject to TIER II reporting requirements and identify transportation routes.
Page # (s): **TAB 11, PAGES 205-219**
2. Describe Emergency Response Procedures to be followed, on and off site.
Page # (s): **TAB 2, PAGES 11-19**
3. Designation of Community Coordinator and Facility Coordinator(s) to implement the Plan.
Page # (s): **TAB 7, PAGES 169-170**
4. Outline Emergency Notification Procedures.
Page # (s): **TAB 2, PAGES 20-37**
5. Describe methods for determining probable affected areas and populations by releases.
Page # (s): **TAB 3, PAGES 114-115**
6. Describe Emergency Equipment in the Community and at Facilities and the persons responsible for them.
Page # (s): **TAB 12, PAGES 220-241**
7. Outline Evacuation Plans.
Page # (s): **TAB 3, PAGES 89-91**
8. Provide a Training Program for Emergency Responders.
Page # (s): **TAB 8, PAGES 190-192**
9. Provide methods and schedules for exercising Emergency Response Plans.
Page # (s): **TAB 8, 191; TAB 13, PAGES 242-247**

PLAN REVIEW CRITERIA INDEX

This Index shows where to look for information related to the nine basic Hazardous Materials Emergency Plan Review Criteria. The criteria are set forth in Title III of the Superfund Amendments and Reauthorization Act of 1986, Section 303 (c), and the National Response Team's "Criteria for Review of Hazardous Materials Emergency Plans," NRT 1-A. The Nevada State Emergency Response Commission uses the basic criteria to review local hazardous materials response plans.

<i>GENERAL CRITERIA</i>	<i>INFORMATION LOCATION</i>
1. Identification of facilities subject to requirements	TAB 11
2. Response procedures	TAB 2
3. Designation of community and facility emergency coordinators	TAB 7
4. Notification procedures	TAB 2
5. Methods for determining release and possible affected areas	TAB 3
6. Identification of emergency equipment	TAB 12
7. Evacuation plans	TAB 3
8. Training programs	TAB 8
9. Drills and exercises - types and schedule	TAB 8; TAB 13

ACKNOWLEDGMENTS

This Plan is an ongoing effort of the Eureka County Local Emergency Planning Committee. The County's hazardous materials emergency planning program involves this and other information and procedures

Preparation of this document, and its continued improvement, requires participation and support from many individuals, agencies, organizations, and businesses. Emergency response agencies, County departments, other agencies, employees, and volunteers deserve recognition for their efforts to continue to improve and develop the Plan. The help of all participants is greatly appreciated.

Copies of this Hazardous Materials Response Plan are available from the
Eureka County Local Emergency Planning Committee
Post Office Box 714, Eureka, Nevada 89316
Phone 775-237-5372.

This Hazardous Materials Response Plan was prepared under contract by Robert G. Loveberg Planning Consulting Services, P.O. Box 2924, Minden, Nevada 89423; telephone 775-782-4949

Volume 1 and 2 of this Plan was combined by All Clear Fire Training & Consulting July 2010

This plan was updated by Stephanie A. Hicks, Planning & Grant Consulting Services, in April 2019. This plan was updated by Joyce Jeppesen in January 2022

This plan was updated by Angeliek Ard/Joyce Jeppesen in January 2023

This plan was updated by Julia A. Hayward in December 2023

This plan was updated by Jeb Rowley in January 2025

This plan was updated by Julia A. Broad in January 2026

RECORD OF CHANGES

This Annex will be updated periodically. Record changes in the table below. When posting changes:

Replace the old page(s) with the new page(s).

Enter the change information in the table and sign the entry.
