STATE EMERGENCY RESPONSE COMMISSION (SERC)

SERC OPTE Grant Application Kit

FY2027

For Local Emergency Planning Committees

SERC has developed this application kit as a template for Local Emergency Planning Committees (LEPCs) to apply for the SERC Operations, Planning, Training, and Equipment (OPTE) Grant. Application and award of grants are managed pursuant to SERC policy 8.2. The source of funding is derived from fees collected from SARA Title III facilities within the State that store and/or produce hazardous materials in specified amounts. As these are State funds, there is no Catalog of Federal Domestic Assistance (CFDA) number associated with this grant.

The grant project period is July 2025 through June 2026. Grant funds will be distributed on a reimbursement basis; however, the LEPC may request advance funding for expenses over \$2,000, policy 8.5.

LEPCs are eligible for funding through this grant if they are in compliance with the Emergency Planning and Community Right-to-Know Act (EPCRA), Nevada Administrative Code (NAC), and SERC policies. SERC policies may be reviewed at <http://serc.nv.gov>.

The format is as follows:

- I. **Goals** - Identify what the LEPC would like to accomplish with the requested grant funds to prevent, mitigate and/or respond to hazardous materials incidents. Provide detailed proposed planning, training and equipment needs for the period July 2026 through May 2027.
- II. **Objectives** - Identify the specific approaches to achieve the goals through prevention of, mitigation of and/or response to hazardous materials incidents. Objectives need to be specific and measurable.
- III. **Line-Item Budgets** – List each item as a line item on the budget page. **The grant request shall be for NO MORE THAN \$36,000.(this includes the \$4,000.00 for Operations)**

An additional \$4,000 of Operation funds will be available if the LEPC is administratively compliant. The purpose of these funds is to provide for LEPC members to attend LEPC and SERC meetings, as well as operation costs. If requesting, up to 50% of operations funds for clerical assistance include that amount in the line item budget.

- IV. Budget Narrative** – Explain each item listed in the line-item budget. If requesting up to 50% of operations funds for clerical assistance, include a detailed justification for the use of funds. Clerical assistance funding is no longer automatically awarded and will be subject to SERC approval.

Remember to comply with SERC Policy 8.2 related to the required quotes or sole source for appropriate purchases. If you have questions, please contact the SERC office.

Provide an explanation for items that do not correspond with the declared level of response due to formal agreements with other entities.

After completing the application, a PDF version e-mailed to the SERC is preferred with any additional pages included e.g., quotes, letter of denial, etc. or you may submit the entire application package with all attachments by mail.

If you submit electronically and do not receive confirmation of receipt within 24 hours or two business days, please follow up with the SERC.

Please call SERC staff at (775) 684-7511 if you need assistance.

Application must be received in this office or postmarked by **March 20, 2026:**
