STATE EMERGENCY RESPONSE COMMISSION (SERC)

SERC OPTE Grant Application Kit

FY2026

For Local Emergency Planning Committees

The SERC has developed this application kit as a template for Local Emergency Planning Committees (LEPCs) to apply for the SERC Operations, Planning, Training, and Equipment (OPTE) Grant. Application and award of grants are managed pursuant to SERC policy 8.2. The source of funding is derived from fees collected from SARA Title III facilities within the State that store and/or produce hazardous materials in specified amounts. As these are State funds, there is no Catalog of Federal Domestic Assistance (CFDA) number associated with this grant.

The grant project period is July 2025 through June 2026. Grant funds will be distributed on a reimbursement basis; however, the LEPC may request advance funding for expenses over \$2,000, policy 8.5.

LEPCs are eligible for funding through this grant if they are in compliance with the Emergency Planning and Community Right-to-Know Act (EPCRA), Nevada Administrative Code (NAC), and SERC policies. SERC policies may be reviewed at <http://serc.nv.gov>.

The format is as follows:

- I. **Goals** - Identify what the LEPC would like to accomplish with the requested grant funds to prevent, mitigate and/or respond to hazardous materials incidents. Provide detailed proposed planning, training and equipment needs for the period July 2025 through June 2026.
- II. **Objectives** - Identify the specific approaches to achieve the goals through prevention of, mitigation of and/or response to hazardous materials incidents. Objectives need to be specific and measurable.
- III. **Line Item Budgets** – List each item as a line item on the budget page. The grant request shall be for NO MORE THAN \$36,000.(this includes the \$4,000.00 for Operations)

An additional \$4,000 of Operation funds will be available if the LEPC is administratively compliant. The purpose of these funds is to provide for LEPC members to attend LEPC and SERC meetings, as well as operation costs. If requesting, up to 50% of operations funds for clerical assistance, include that amount in the line item budget.

- IV. Budget Narrative** – Explain each item listed in the line item budget. If requesting up to 50% of operations funds for clerical assistance, include a detailed justification for the use of funds. Clerical assistance funding is no longer automatically awarded and will be subject to SERC approval.

Remember to comply with SERC Policy 8.2 related to the required quotes or sole source for appropriate purchases. If you have questions, please contact the SERC office.

Provide an explanation for items that do not correspond with the declared level of response due to formal agreements with other entities.

After completing the application, a PDF version e-mailed to the SERC is preferred with any additional pages included e.g., quotes, letter of denial, etc. or you may submit the entire application package with all attachments by mail.

If you submit electronically and do not receive confirmation of receipt within 24 hours or two business days, please follow-up with the SERC.

Please call SERC staff at (775) 684-7511 if you need assistance.

Application must be received in this office or postmarked by March 25, 2025:

serc@dps.state.nv.us

State Emergency Response Commission
107 Jacobsen Way
Carson City, NV 89711

Please be prepared to make a presentation of your grant application to the Planning & Training Sub-Committee and Funding Committee. The date and location of the meetings to be announced.

GRANT APPLICATION CHECK SHEET

A COMPLETE APPLICATION MUST INCLUDE THE FOLLOWING

- ☐ Title Page
- ☐ Goals of this grant
- ☐ Objectives of this grant
- ☐ Line Item Budget
- ☐ Budget Narrative
- ☐ If Training – Brochure and GSA Rates
- ☐ Certified Assurances
- ☐ LEPC Compliance Certification (signed by Chair)
- ☐ Electronic version e-mailed to serc@dps.state.nv.us .
- ☐ Copy of the LEPC meeting minutes approving submittal of grant application (minutes are submitted separately through normal minutes' submission process)

**The grant application must be delivered to this office
or postmarked by March 25, 2025.**

I. GOALS:

Tell the SERC what you want to accomplish with this grant. **Provide a separate discussion of each goal and justify its need towards the prevention, mitigation and/or response to hazardous materials incidents involving transportation.** The goals are general statements of desired results and identify intended outcomes the program has established to achieve. Justification to prevent, mitigate and/or respond to hazardous materials incidents must be addressed.

Click inside gray box to begin typing

Lander County LEPC's use of the grant application is to seek and enhance the committee's ability to achieve our goals and objectives regarding maintaining our Lander County's Hazmat trailer.

Lander County LEPC is proud of the fact that our committee continues to hold annual table tops as well as full scale drill's on county hazmat issues. In 2025 we will be participating in a FEMA multicounty hazmat drill.

Participation has been great with local stakeholders and county officials. Lander County LEPC continues our goals of creating partnerships with stakeholders throughout our county.

This grant Period we would like to assist Lander County Stakeholders with equipment needs. Lander County Sherriff's office with the grant purchase of Pelican 9470 remote area light and Lander County EMS with the grant purchase of Stryker LUCAS® 3 Chest Compression System, version 3.1. and Battle Mountain General Hospital Air Purifying Respirator Easy 3m Papr's for hazmat events.

Lander County LEPC is making an impact upon the response capabilities in a positive manner for the dedicated responders throughout the county. Holding informational booths at county event to further information on Emergency Preparedness. The response capabilities are the most important issue when it comes to rural areas and the impact that a hazmat event would have on our county.

II. OBJECTIVES:

How do you plan to achieve the goals listed above? Include specific uses of this grant funding to prevent, mitigate and/or respond to hazardous materials incidents.

Objectives focus on the methods/activities to be used to achieve the goals they support.

Answer these questions in each objective:

- ✓ WHAT will be purchased with these grant funds?
- ✓ WHO will complete the purchases awarded?
- ✓ WHEN will the purchases be made and the activity implemented?

Click inside gray box to begin typing

As Lander County LEPC prepares to participate in the 2025 Multicounty FEMA drill the primary goal of Lander County LEPC is to provide emergency response personnel with the necessary resources and training that will prepare the Lander County LEPC to respond to hazardous materials incidents and other emergency events.

Although specific funds for training are not requested in this grant, purchasing the equipment identified in the grant will enable Lander County LEPC and our

County partners to have the proper materials to conduct realistic training thereby improving the overall emergency response capability of our county
In a world where emergencies can strike at any moment, being prepared isn't just important—it's essential.
Information that came to light during our full scale drills was that Lander County Hazmat trailer was not fully stocked to meet the needs of operations for the drill. Items were either outdated or no longer working as designed.

III. BUDGETS:

Planning:

Requests to contract with a consultant must be accompanied by at least two competitive bids. The bids must include an itemized quote and detailed scope of work from the consultant.

Training:

All training requests must first be made through the State Fire Marshal's office (SFM) and the Department of Emergency Management (DEM). If the SFM or DEM declines the training, the request may be included in the grant application along with the letter of declination.

Requests to contract to provide training must be accompanied by at least two competitive bids. The bids must include an itemized quote and detailed scope of work from the consultant.

State per diem rates (which generally follow the federal GSA rates; (<http://www.gsa.gov>) will prevail unless local rates are less. Travel eligibility requirements and rates are further defined in SERC policy 8.5. The rates listed below are for calendar year 2024 only and are subject to change.

If a privately owned vehicle is used for agency convenience, mileage may be reimbursed at the State rate, currently .67 cents per mile. If a personal vehicle is used for personal convenience, the reimbursement allowed is .335 cents per mile. If an agency vehicle is used, reimbursement may be made for fuel charges based on receipt or agency fuel logs. Airport parking (**most economical lot only**) and ground transportation expenses are reimbursable upon presentation of receipts. Rental cars must be pre-approved by the SERC.

Equipment:

Equipment will be considered based on the state contract prices, as applicable. Please consult the State Purchasing Division's website at <http://purchasing.nv.gov/contracts/> to determine if your equipment may be eligible for the contract prices. If requesting an item from a state contract, please include a copy of the webpage with your application. Equipment requests other than those on the state's contract or higher priced than those on this list must be accompanied by a quote from the vendor and justification. Quotes for items not on the state's contract must be dated/active within 30 days of the open allocation cycle. Communications equipment is subject to the completion of the attached Communications Interoperability Questionnaire.

Communications
Interoperability Que

Operations:

Note: Clerical assistance cannot be more than 50% of the category. Justify clerical assistance in the budget narrative section.

Operation Costs:	
Item	Amount Requested
Operations	\$2,000
Clerical (up to 50% of the total operation award)	\$2,000
Total Operation Costs:	\$4,000

IV. BUDGET NARRATIVE

This is an explanation of the line items identified in each category. The budget narratives must explain the use of the requested grant funds. Budget narratives must be included for each category for which there is a request for items/services. Justify the relationship between the items listed within each category and the goals and objectives of this grant request. The budget narratives must tie each item requested to the goals and objectives of this project.

Planning -

Explain the basis for selection of each consultant and describe how the service to be provided is essential to achieving established goals. Provide an explanation if the planning request does not correspond with the declared level of response due to formal agreements with other entities.

Note: Clerical assistance cannot be more than 50% of the category. Justify clerical assistance in the budget narrative section.

Operation Costs:	
Item	Amount Requested

Total Operation Costs:	\$0

IV. BUDGET NARRATIVE

This is an explanation of the line items identified in each category. The budget narratives must explain the use of the requested grant funds. Budget narratives must be included for each category for which there is a request for items/services. Justify the relationship between the items listed within each category and the goals and objectives of this grant request. The budget narratives must tie each item requested to the goals and objectives of this project.

Planning -

Explain the basis for selection of each consultant and describe how the service to be provided is essential to achieving established goals. Provide an explanation if the planning request does not correspond with the declared level of response due to formal agreements with other entities.

Click inside gray box to begin typing

Lander County LEPC assist participants with developing the ability to understand and assess plans, policies, procedures and concepts. A coordinated, supervised exercise validates coordination command and control between various agencies which are conducted from an emergency operations center. By having multiple agencies our exercise involves functional and field response for Lander County.

Training -

Explain the purpose of the training and how it relates to achieving established goals. Provide location of training, duration, itemized transportation and per diem expenses. If applicable, attach a copy of the letter from the SFM and/or DEM. Provide an explanation if the training request does not correspond with the declared level of response due to formal agreements with other entities.

Click inside gray box to begin typing

Lander County LEPC holds several different table top exercises and an annual drill which consist of our training efforts at this time. All table tops exercises are informal discussions or lectures designed to orient participants (including stakeholders) with Lander County Emergency Management plans, policies, procedures and their roles. Our exercises are held to achieve a specific goal or develop a new product (e.g., plan policies, exercise objectives).

Equipment -

Describe the equipment and how it will benefit the project, and why it is necessary to achieving established goals and objectives. Provide an explanation if the equipment request does not correspond with the declared level of response due to formal agreements with other entities

Click inside gray box to begin typing

Lander County LEPC purpose of the grant application is to seek and enhance the committee's ability to achieve our goals and objectives regarding maintaining our Lander County's Hazmat trailer and help county stakeholders meet emergency preparedness equipment.

The equipment and services requested through this grant application will enable Lander County LEPC/Stakeholders to properly prepare for incidents involving hazmat (Accidental or manmade) and any acts of Terrorism. By updating and resupplying the hazmat trailer it will lower the risk/severity of associated incidents LEPC uses the trailer in annual drills as well as its true purpose of being available for use in a hazmat event.

Operations -

A detailed Justification is necessary if requesting funds for clerical assistance. Describe how salaries will be determined. Funds for clerical assistance are not automatic and are subject to SERC approval.

Click inside gray box to begin typing

The amount requested for the 2026 SERC OPTE grant is \$30,000.00

The grant monies are vital funding for Lander County LEPC. We have requested the full amount because we need all of the equipment specified above. The purpose of these funds is to provide for LEPC members operation costs and to ensure proper training is completed. LEPC has found with the supply change problems that not all items we request are available when ordered or the same price as the quote when requested through the OPTE grant, so we put more on our spreadsheet.

LEPC COMPLIANCE CERTIFICATION

The following requirements must be met by the LEPCs for compliance with federal, State and SERC laws, regulations and policies and procedures. This checklist must be completed, signed and returned annually by March 31, even if the LEPC is not a recipient of grant funds.

A check mark in the squares on the left will indicate a YES response.

☒ Have changes in the LEPC Bylaws and Membership list been submitted to SERC?

Bylaws reviewed/updated -	Date: 10/8/24	Submitted: Yes
Membership list reviewed/updated -	Date: 11/12/24	Submitted: Yes

☒ Have LEPC meetings been held, at a minimum quarterly, and have agendas and minutes of all meetings, including special meetings, been forwarded to the SERC?

☒ Has the LEPC submitted all required reports which summarize the financial management of the active grants (*i.e., copies of invoices and verification of expenditures*)?

☒ Has the LEPC reviewed and updated its hazardous materials emergency plan (or hazmat portion of the jurisdiction's "all hazards" plan), NRT-1, Level of Response Questionnaire and Letter of Promulgation within the last year? Have the review results and updates been submitted to the SERC in writing along with a copy of the LEPC meeting minutes documenting review of the Plan by January 31st?

Plan update -	Date: 11/12/24	Submitted: YES
NRT - 1 update -	Date: 11/12/24	Submitted: Yes
Level of Response Questionnaire update -	Date: 11/12/24	Submitted: Yes
Letter of Promulgation update -	Date: 11/14/24	Submitted: Yes

☒ Has the LEPC reported on at least one incident or exercise (exercise required at least every third year) of its hazardous materials emergency response plan by January 31st?

Indicate the date of the most recent exercise:	6/15/24	Submitted: Yes
Indicate the date of an incident report used in lieu of an exercise:		Submitted:

☒ Has the LEPC met the annual requirement of publishing the Emergency Planning and Community Right-to-Know Act "information availability" in the local newspaper? Has the standard Affidavit of Publication been sent to the SERC?

Date of publication: 10/23/24 Affidavit Submitted: Yes

☒ Has LEPC read SERC policies?

CERTIFIED ASSURANCES For LEPCs

Grant Title: 2026 SERC Grant

Upon acceptance of funding from the State of Nevada Emergency Response Commission (SERC), the applicant and the lead governmental unit hereby agree to the following Certified Assurances governing the awarding of funds:

- A) The applicant assures compliance with the Nevada Administrative Code (NAC) 459.9912 et seq. and SERC policies found at <http://serc.nv.gov>.
- B) **FINANCIAL REPORTS** – The recipient is required to submit, at a minimum, quarterly financial reports to the SERC. Reporting must be made in accordance with all applicable federal, state, and local laws and regulations, and SERC Policies 8.5 and 8.6.

No expenditures or obligations will be eligible for reimbursement if occurring prior to or after the award period. All funds need to be obligated by the end of the grant period and expended by the final report date as stated in the grant award cover letter. Failure to submit proper reports pursuant to current policies may jeopardize future funding from the SERC and could result in a denial of reimbursement of funds expended. Failure to comply with this requirement can result in the delay or denial of future reimbursements.

- 1) **Request for advance:** May be requested only if expenses total over \$2,000.00 and is accompanied by a dated purchase order or quote. Complete and submit a financial report form with the appropriate "request for advance" box checked.
- 2) **Report on expenditure of advance:** Show the actual expenditure of the advanced funds. Complete and submit a financial report form with the appropriate "report on expenditure of advance" box checked. This report is due **within 30 days** of the date of the advanced check and must include copies of dated invoices and proof of payment. If the amount advanced is more than the amount spent or the advanced amount is not spent within the 30 days, the unexpended funds are to be returned to the SERC within 45 days* of the date of the check.
- 3) **Request for reimbursement:** Complete and submit a financial report form, at a minimum quarterly, for all expenditures funded by the grant. Include a summary breakdown of expenses, copies of dated invoices, proof of payment and any other documents required by SERC policies. Any other form of documentation for expenditures must be approved by the SERC staff. If additional non-federal funds or resources are used toward the project, report those expenditures as a match in the appropriate line on the report form.
- 4) **Quarterly report required:** If there are no expenditures within the quarter, a report with an explanation of why and the plan for future expenditures is due by the end of the month following the end of the quarter. Due dates for quarterly reports are as follows:

October 31 - for reporting period July 1 to September 30;
January 31 - for reporting period October 1 to December 31;
April 30 - for reporting period January 1 to March 31; and
July 31 - for reporting period April 1 to June 30.

- 5) **Final report:** There will be no further expenditures, the grant is closed, and no further reports are necessary. This report is due within 30 days after the end of the award period, or any time prior to the end of the award period if no further funds will be spent. Once the final report is processed there will be no additional draws allowed for the sub-grant. If reporting is not in by the final date, the remaining funds will be de-obligated.
- C) **EXERCISE REPORTS** – To be eligible for grant funding, the LEPC must report to the SERC by January 31st of each year on at least one real event and/or tabletop, functional, or full-scale exercise or drill which utilizes and implements the hazardous materials emergency response plan. An exercise is required at least once every year with every key element of the plan being implemented in the exercises within three years.
 - D) **GRANT CHANGE REQUEST** – Grant expenditures are authorized for the purposes set forth in this application, as approved in the grant award, and in accordance with all applicable laws, regulations, and policies and procedures of the State of Nevada and the applicable federal granting agency. Requests for change in the project must be submitted to the SERC and approved in writing prior to its implementation. Approval may be required by the Funding Committee if the change is significant, SERC Policy 8.7.
 - E) The applicant must comply with the provisions for sub-awards stipulated at 2 *CFR* 200.311. The applicant assures the fiscal accountability of the funds received from the State Emergency Response Commission will be managed and accounted for by the lead agency's chief comptroller. Internal control and authority to ensure compliance with SERC's documentation, record keeping, accounting, and reporting guidelines will reside with that individual.
 - F) SERC will reimburse the recipient reasonable, allowable, allocable cost of performance, in accordance with current federal requirements, Nevada Revised Statute, Nevada Administrative Code, State Administrative Manual, SERC policies and any other applicable fiscal rules, not to exceed the amount specified in the total award amount.
 - G) The applicant assures it shall maintain data and information to provide accurate financial reports to SERC. Said reports shall be provided in form, by due dates and containing data and information as SERC reasonably requires to administer the program.
 - H) The applicant will give the SERC, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the grant or grant requirements. The Uniform Guidance/OMB Guidance provides greater clarity to the role and expectations for pass-through entities conducting oversight of sub-recipients. The Uniform Guidance/OMB Guidance expands on the responsibilities of pass-through entities by providing a more robust system of oversight and monitoring. (see section 200.330 and section 200.331)
<http://www.gpo.gov/fdsys/pkg/CFR-2014-title2-vol1/pdf/CFR-2014-title2-vol1-sec200-331.pdf>

- I) The applicant assures financial reports shall be submitted within 30 calendar days of the end of each calendar quarter and within 45* days of the end of the grant period and shall be current and actual.
- J) The applicant assures funds made available under this grant will not be used to supplant state or local funds.
- K) The applicant assures compliance with 2 CFR 200.212 and 180, *Non-procurement Suspension and Debarment*. The applicant assures, through the submission of the grant application for funding, neither the lead agency, county government, any of its participating agencies, are potential vendors, contractors or providers debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in the transaction by any federal department or agency.
- L) The applicant assures that it will comply with Administrative Requirements 2 CFR part 200, *Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments* appropriate to the award as follows:
1. 49 CFR 110, *Hazardous Materials Public Sector Training and Planning Grants*
 2. 49 CFR 18, *Uniform Administrative Requirements for Grants and Cooperative Agreements to State, Local and Tribal Governments*
 3. 2 CFR 225, *Cost Principles for State, Local and Indian Tribal Governments*
 4. OMB Circular A-133, *Audits of States, Local Governments and Nonprofit Organizations* (now contained in 2 CFR 200)
 5. 49 CFR 20, *New Restrictions on Lobbying*
 6. 49 CFR 32, *Government wide Requirements for Drug-Free Workplace*
- M) The applicant assures compliance with the below in any programs and activities receiving federal financial assistance:
- Title VI of the Civil Rights Act of 1964*, which prohibits discrimination on the basis of race, color and national.
- 49 CFR 21, *Nondiscrimination in Federally Assisted Programs of the Department of Transportation, Effectuation of Title VI of the Civil Rights Act of 1964*.
- Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990*, which prohibits discrimination based on disability.
- The Age Discrimination Act of 1975*, which prohibits unreasonable discrimination based on age.
- Title IX of the Education Amendments of 1972*, which prohibits discrimination based on gender in educational activities.
- N) Any publication (written, visual, or audio) issued by the recipient describing programs funded whole or in part with federal funds, shall contain the following statement:
- "This program was supported by Grant # 26-SERC-_____, awarded by the Nevada State Emergency Response Commission (and, if an HMEP grant, the U.S. Department of Transportation). Points of view or opinions contained within this document are those of the author and do not necessarily represent the official position of policies of the State Emergency Response Commission (and, if an HMEP grant, U.S. Department of Transportation)"

The applicant must provide a copy of any such publication to the SERC for the sub-grant file.

- O) The applicant fully understands the State Emergency Response Commission has the right to suspend, terminate or de-obligate grant funds to any recipient that fails to conform to the requirements or the terms and conditions of its grant award.
- P) **LOBBYING** - No grant funds appropriated will be paid, by or on behalf of the recipient, to any person for influencing or attempting to influence an officer, employee, or a member of Congress, or an officer, employee, or any member of the Nevada State Legislature or local government. The applicant will comply with provisions of Federal law, which limit certain political activities of employees of a state or local unit of government whose principal employment is in connection with an activity financed in whole or in part by Federal grants. (5 USC 1501, et seq.)
- Q) Project related income, (i.e., registration fees, royalties, sales of real and personal property) must be used for the purpose of furthering the goals and objectives of the project or program from which the income was generated. Interest earned must be returned to the State Emergency Response Commission.
- R) All activities and purchases utilizing any SERC administered sources of funding must comply with all local, state and federal laws and regulations as well as grant specific requirements. It is the responsibility of sub-grantees to be familiar with any such laws, regulations and requirements.
- S) Applicant understands that an updated addendum to the grant may be required based on the federal guidelines or state requirements between now and the time of the award documents based on requirements for State of Nevada or the federal sponsoring agency.

The applicant acknowledges receipt of these Certified Assurances and hereby assures adherence to all the above conditions of a grant award from the SERC.

NOTES & DISCLAIMERS

Thank you for this opportunity to quote. We are pleased to offer requested items below. If you have any questions, need additional information, or would like to place an order, please contact your Customer Service Rep as noted above.

Safety Warning Notice: Products offered, sold, or invoiced herewith may have an applicable Safety Data Sheet (SDS) as prepared by the manufacturer of the product. The SDS is provided with the product. In addition, manufacturer's safety and/or warning notices, instructions and information relating to the proper use and care of the product is provided with the product. All applicable SDS, safety and/or warning notices, instructions and other information provided with the product should be thoroughly read, reviewed, and understood prior to handling, distributing, using, reselling, or servicing any and all products provided by Curtis. Materials utilized to clean, repair, maintain and/or service your owned equipment, as well as Curtis owned equipment, may contain per-and polyfluoroalkyl substances (PFAS) to meet national standards or original equipment manufacturer specifications. For other important product notices and warnings, or to request an SDS, product specifications, manufacturer's safety notices, instructions and/or warning notices, please contact Curtis or visit <https://www.curtisblue.com/product-notices-warnings>

Transportation is included in below pricing.

SKU: LT-PE-9470RS Categories: Pelican Lighting, Remote Area Lighting Systems

Description

Specifications

For the maximum in portable area lighting, Pelican offers the 4 head 9470, 12,000 lumen model. The 9470RS model adds 3 new great features to make it even more useful.

The additional features offered on the "RS" model make the 9470RS an even more valuable piece of equipment. This Remote Area Light includes three additional features from the standard 9470, 1) remote control activation, 2) multi-terrain trolley and 3) a 12volt power supply port.

The remote control allows for activation and deactivation from over 60 feet away. Each unit comes equipped with two remote controls. The multi-terrain trolley allows for easier transport across rough surfaces. The large 1.5 inch polyurethane wheels play a large roll in this benefit. Everyone can benefit from the 12 volt power supply port which can be used to power any electrical product that utilizes a standard 12v vehicle style connector (up to 4 amps), like lap top computers, cell phones, etc.

All other features on the 9470RS are the same as found on the standard 9470 including the four LED light heads producing 12,000 lumens of light (with telescoping 6 foot poles), Intelligent Control System which calculates and displays current battery life, allowing the user to regulate the intensity of the light and choose the desired run time, a Pelican 1610 protector case that contain and protect all components during travel and storage, a self contained rechargeable battery and battery charger.

A tripod and extension cord are available accessories (sold separately).

The 9470RS is available in either black or yellow cases and backed by the company's legendary Guarantee of Excellence. Truly the 9470RS now offers the very best in remote area lighting products.

COLORS

Special Notes:

- Items not in stock may be subject to minimum \$25 drop ship fee from manufacturer. Please contact customer service for item availability.
- Any made to order or customized product cannot be returned.

- Standard product may be returned but will incur a re-stocking fee

Country of Origin USA (subject to change)

Product Description

The wheeled cart of these remote area lights allows mobility for positioning the lights and moving them between locations. Also known as light towers, they have multiple light heads to cover a broader area than other remote area lights. The light heads store in the hard-shell body of the cart, preventing them from being misplaced and protecting them from damage when not in use.

About this item

- **POP-UP TRASH CAN** - This 29.5-gallon camping trash can is great for yard work, collecting empty bottles after parties, keeping your campsite clean, or even as a laundry basket.
- **SECURE TOP** - The zippered lid on the outside trash can helps prevent animals from poking through your garbage and keeps the contents from blowing out of the container.

Color: **Black**

- **IDEAL FOR DIAGNOSTICS** - An excellent general-purpose stethoscope for all manner of medical professionals, students and home health monitoring. Designed to assist with patient diagnostics and evaluations it has excellent sound quality and transmission.
- **PRESSURE SENSITIVE SINGLE HEAD** - Single head stethoscopes have a pressure-sensitive tunable head that functions as both a diaphragm and bell depending on the applied pressure. This tunable diaphragm allows for easy shift between high and low frequency sounds. To hear low-frequency sounds, you rest the chest piece lightly on the patient; to hear high-frequency sounds, you apply firm contact pressure to the chest piece. Slim head fits easily under cuff for taking blood pressure.
- **ONE PIECE MOLDED TUBING** - Eliminates the auditory interference that's common in other two tube stethoscopes. The latex-free two tubes in one design eliminates the rubbing noise that traditional double tube stethoscopes can create.
- **ANATOMICALLY DESIGNED** - The specially designed headset is made to match the angle of the ear canal for a superior fit that avoids audio leak and minimizes ambient noise for better performance. The 22-inch length offers better sound volume and allows you to easily accommodate all patients from infants to adults.
- **COSPLAY AND ROLE PLAY** - Heighten the fun and realism of your role play and cosplay activities by adding this functioning stethoscope to your outfit to take actual readings. It is durable and available in multiple colors to easily match your clothing. Show children how medical equipment works prior to doctor visits to educate and make them more comfortable with medical procedures.

Red

- **Convenient Size and Quantity:** measuring approximately 6 inches/ 15.24 cm, these red glow sticks are easy to carry and handle; The package includes a bulk of 96 glow sticks, ideal for large gatherings or to be stored for next time use
- **Quality Materials:** these 6 inch large chem sticks are made from industrial grade construction and quality plastic, ensuring that they can withstand rugged outdoor activities; Note, however, to avoid bending the glow sticks to an extreme to ensure safety and longevity
- **Long Lasting Brightness:** these 6 inch large glow sticks emergency camping are not only large and bright, but also have a glowing duration of at least 12 hours; Just snap them gently to activate the 360 degree illumination, and fill your surroundings with continuous light ensuring safety and visibility in the dark
- **Multipurpose Use:** apart from recreational purposes, these military glow sticks are highly useful for outdoor excursions like camping, hiking, fishing and hunting, and they can also be an aid during boating trips and earthquakes, hurricanes, survival situations; Due to their top hook design, they allow easy hanging and quick illumination
- **Stunning red Color:** the 6 inch large glow in the dark sticks burn with an eye catching red hue; This vibrant color not only sets the mood but also provides a bright illumination during your outdoor expeditions or emergency situations, which is sure to grab the attention of any passerby, making them nice for safety concerns

4 Inch 6 Inch

- **What You Can Get:** you will receive 100 stick lights, each with hook stick and 1 lanyard; Our glow sticks allow you to feel the warmth of light wherever you are. Notice: First of all, due to the characteristics of fluorescent sticks, white fluorescent sticks will have a bluish cast. If you mind, please do not buy white. Secondly, due to the material characteristics of fluorescent rods, green has the highest brightness. If you need a high-brightness fluorescent rod, please choose green
- **Safe to Use:** the bright glow sticks are packaged independently in bulk; The bright glow sticks are made of industrial structure and quality materials; Our glow sticks are reliable and can last 12 hours of light
- **Widely Applicable:** large glow sticks have a variety of uses; The suitable stick length can decorate your home with other items to make outdoor decorations for the holidays, and you can also take them on fishing, hunting, boating trips, or give them to your children for birthday parties
- **Portable and Lightweight:** the glow sticks are about 4 inches/ 10.16 cm long, portable and convenient, and also has a hook, can be hung in tents, windows, walls and other places, easy to use, because the overall weight is light, even holding the glow stick for a long time will not be very tired
- **Please Note:** the liquid in the bulk glow sticks is not edible and has an adhesion; If it leaks, it is easy to pollute furniture, floors, clothing, skin, etc.; If the above situation occurs, be sure to clean it in time; If the fluid from the glow stick gets into your eyes, rinse with water or seek medical attention

- **Convenient Size and Quantity:** measuring approximately 6 inches/ 15.24 cm, these blue glow sticks are easy to carry and handle; The package includes a bulk of 96 glow sticks, ideal for large gatherings or to be stored for next time use
- **Quality Materials:** these 6 inch large chem sticks are made from industrial grade construction and quality plastic, ensuring that they can withstand rugged outdoor activities; Note, however, to avoid bending the glow sticks to an extreme to ensure safety and longevity
- **Long Lasting Brightness:** these 6 inch large glow sticks emergency camping are not only large and bright, but also have a glowing duration of at least 12 hours; Just snap them gently to activate the 360 degree illumination, and fill your surroundings with continuous light ensuring safety and visibility in the dark
- **Multipurpose Use:** apart from recreational purposes, these blue military glow sticks are highly useful for outdoor excursions like camping, hiking, fishing and hunting, and they can also be an aid during boating trips and earthquakes, hurricanes, survival situations; Due to their top hook design, they allow easy hanging and quick illumination
- **Stunning Blue Color:** the 6 inch large glow in the dark sticks burn with an eye catching blue hue; This vibrant color not only sets the mood but also provides a bright illumination during your outdoor expeditions or emergency situations, which is sure to grab the attention of any passerby, making them nice for safety concerns
